of the Fellowship!**

WHY REGISTER?

Many convention participants ask the question, "Why should I register for the convention? What do they do with the money?" The money that is collected from registration is how we pay for all of the hotel and convention facilities that we use during the convention, as well as all the associated service expenses. It is also how we pay for all of the items contained in the registration packets, and in the future planning of this convention. These expenses include the meeting space, printing costs of flyers, programs, general supplies, entertainment, and catering. It takes many resources to make this and future conventions happen, please help out by pre-registering. Thanks!
