

BATTLE OF THE BANDS ?

March 25, 2017

1000 NE Barry Rd. KCMO 64155

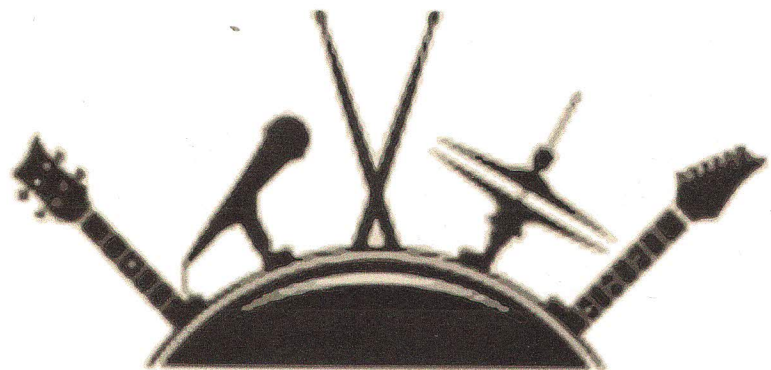

Starts at Noon.

The first battle was a function by the Miracle Area. It was in a park in Lawrence with the summer heat barring down on the Hippies. Rita appeared sun burnt, Kent looked like he was going to die, and Wayland's fingers got over heated. Both Bands have strong NA ties with Scott K. having the most clean time of all the musicians. The Hippies have the most clean time collectively. The Bands are ready and confirmed, Scott K. 17yrs. Clean and a member of BRC Sounds will be the Speaker. \$5 donation with no addict turned away. Clean & Crazy will be donating all profits to the Northland Area. We need some volunteers for food and refreshments. We will be selling T-Shirts. They will be donated and there will only be 30 of them. \$20.00 a T-Shirt includes Entrance donation. Clean & Crazy meets Fridays @ 8pm.
